Personal success, ___ (31) ___, is not just about feeling good or happy with your life. It also involves ___ (32) ___ that you can get what you want. Personal success requires ___ (33) ___ how to create the life you want. For some, finding personal success is learning how to get more ; for ___ (34) ___ it's understanding how to be happier ; and for many, it is learning both of these important skills.

The good news is that you can learn how to achieve personal success, and you are probably much closer to it than you could ___ (35) ___ imagine. For most people, it is just a matter of making a few but significant changes in the way they think, feel, or act to create the fulfilling life they want.
